Construction Workers' Memorial Ceremony

WHEN

Thursday, April 26, 2018
11:00am - 12:00pm

WHERE

Hispanic Contractors Association de Tejas
11509 Seagoville Rd.
Balch Springs, TX 75180

Join us for a ceremony in honor and remembrance of all construction workers who have lost their lives at construction job sites. We will have a ceremony reading of the names of construction workers who lost their lives in 2017 in the state of Texas and a moment of silence.

[CLICK HERE TO RSVP](#)

In honor and remembrance of all construction workers who have lost their lives at construction job sites, the Hispanic Contractors Association de Tejas (HCAT) will be hosting "**Construction Workers' Memorial Month**" that will offer a series of Safety Training throughout the month of April, including a special event on April 26th which includes a ceremony reading of the names of workers who lost their lives in 2017 and a moment of silence at the "Construction Workers' Memorial Cross" located at the HCAT Facility in Balch Springs, Texas.

Workers' Memorial Day is observed every year on April 28. It is a day to honor those workers who have died on the job, to acknowledge the grievous suffering experienced by families and communities, and to recommit ourselves to the fight for safe and healthful workplaces for all workers. It is also the day OSHA was established in 1971. Under the Occupational Safety and Health Act of 1970, employers are responsible for providing safe and healthful workplaces for their workers. OSHA's role is to ensure these conditions for America's working men and women by setting and enforcing standards, and providing training, education and assistance.

Find a Workers' Memorial Day Event near you at [OSHA's webpage](#) or contact your regional OSHA office.
